AEON Credit Service Supports WWF Earth Hour 2022

AEON Credit Service put our environmental commitment into action by supporting Earth Hour 2022 by WWF.

We are committed by pledging to transform daily habit to protect the irreplaceable wetlands for future generation. AEON Credit Service rooftop sign at Centre Point in Wan Chai will be turned off on 26th March for an hour at evening time.

Earth Hour is a perfect chance for us to take action and show our commitment on the environment. The change in this one hour might be small, but it reminds us that we can make small changes to save our environment and protect nature for the future.
