## **AEON Credit Service Launches AEON Green Personal Loan** **Low Interest, Simple Application to Go Green**

**AEON Credit Service (Asia) Company Limited** (“AEON Credit Service”; HKEX: 00900) is pleased to announce the launch of its first AEON Green Personal Loan for customers intending to install domestic solar panel renewable energy system, purchase brand new electric vehicles or electric vehicles charger, reaffirming its commitment to green financing and support for zero carbon emission.

The newly launched Green Personal Loan aims at encouraging the adoption of renewable energy system and green transport. Prospective customers who are eligible to apply for the loan will enjoy an exclusive monthly flat rate of the Preferential Interest Rate as low as 0.14% (Annual Percentage Rate: as low as 3.24%), with up to HK\$1,000,000 and a flexible repayment period from 6 months to 60 months with no handling fee\*.

**Mr. Wei Aiguo, Managing Director of AEON Credit Service**, said, “AEON Credit Service has been actively incorporating sustainable practices into its business operation and development. The introduction of the brand-new AEON Green Personal Loan not only provides more loan options to customers, but also marks an important milestone in the company’s sustainability journey. We believe that by supporting the adoption of renewable energy and emission-free transport in the city, we can positively impact our community as well as contribute to the transformation of a greener world.”
