AEON Credit Service Partners with Helping Hand to Support Local Elderly Through Caring Gift Bags Distribution

AEON Credit Service (Asia) Company Limited (“AEON Credit Service”; HKEX: 00900) has been committed to promoting corporate social responsibility and fostering community care over the past years. This year, AEON Credit Service proudly partnered with Helping Hand, a local charity dedicated to serving the elderly in Hong Kong, to sponsor the “Caring Gift Bags to the Elderly” programme for regular giveaway of daily necessities to senior neighborhood.

Until September 2025, 6 distribution events were successfully held at 3 housing for the elderly of Helping Hand in Wong Tai Sin, Tseung Kwan O and Siu Sai Wan, as well as the nearby communities respectively. A total of more than 1,600 elderly attendances received the thoughtfully prepared gift bags that tailored to their needs, including food, drinks and hygiene products.

Apart from the sponsorship, employees from AEON Credit Service also joined as volunteers to visit 3 self-care homes and assist with the distribution of Caring Gift Bags. During the visit in September, the volunteers especially distributed mooncakes to the elderly to celebrate the Mid-Autumn Festival. These gifts not only provided practical support but also conveyed warmth and care, reinforcing community bonds and supporting the well-being of local seniors.

AEON Credit Service recognises the importance of being a responsible corporate citizen and is deeply grateful for the opportunity to contribute to this meaningful initiative. In the future, we will continue to engage in impactful charity programmes and contribute to the local communities.
